Dear Parents/Guardians,

RE: UNIFORM CHANGE

As we are fast approaching the end of another school year, we would like to keep you informed of a planned change to the school uniform.

We recently gave both pupils and parents/guardians the opportunity to vote “for or against” the change to one colour choice of the school polo shirt. With the majority overall vote being in agreement that there should be just one colour, it has been decided that as from September 2018 the official colour of the school polo shirt will be **red**. Red was chosen as it fits with the colours in our school logo and is different to those worn by other local schools. The House Group colours will remain the same.

Appreciating that many of you will have a supply of, or may have already purchased polo shirts, it is not expected that you go out and purchase additional ones in red. This will be a “rolling” programme so that when you do have to purchase new polo shirts, we ask that you purchase red, so eventually through the next academic year this will become the uniform across the school.

Thank you for your support.

Yours sincerely,

Simon Talbot
