Working together to achieve high standards in a welcoming, caring community, where everyone feels valued, respected, safe and happy.”

19th October 2018

Dear Parents/Guardians,

As a school we have signed up to TT Rockstars ... <https://www.ttrockstars.com> which is an online portal where children can practise and improve their times tables in a fun and innovative way. TT Rockstars is used by thousands of schools across the country. It works in tandem with pencil and paper times tables practise in school, with the aim of quick recall of times tables and associated facts.

In order for the children to have access to the online version we will need to upload the following details; Children’s names and year groups. In compliance with the new GDPR regulations we have to obtain consent from parents before this data can be uploaded. The following link provides information about TT Rockstars GDPR compliance and Privacy policy. <https://ttrockstars.com/page/gdpr>

Please complete and return the consent form below in order for your child to be able to access the online system. **We will not assume consent if the form is not returned.** More details will follow about how the children can access the programme once we have the consent forms.

Yours sincerely,

Mr S Talbot
Headteacher
