

Waverton Community Primary School PTA

September 2019

Hello and a very warm welcome to the Waverton Primary School Parent Teachers Association!

Whether you're new to Waverton and your child has just joined Reception, or you've been with us for a while, what better way could there be to meet other parents than to get involved with the fun events that we hold throughout the year?

Over past years we have funded a new audio system, contributed to the cost of new touch screens in the class rooms, additional storage for school and PTA equipment, and the Storyhouse Art project which is running throughout this academic year at an average of £5000 a year. Money has been raised through a variety of events such as end of term discos, fetes and quiz nights.

We work very closely with Mr Talbot and the school throughout the year and they get involved in many of our fundraisers.

The PTA team decided to step down having done a tremendous job over the past two years and at the recent AGM a new committee was elected:

Olivia Gunson – Chair

I have three children, twin girls Jemima and Gabriella who have just begun Year 1 and Fred (a right handful!!), who will be joining Reception in 2021. Having no local family, we took the decision that I'd be a stay at home Mum. Prior to that I ran the Early Years for medium/large day nursery chains. I'm looking forward to working with the new PTA and love the thought of what we'll be doing will benefit our children, their families and raising the much-needed funds for our school.

Sarah Steen - Vice Chair

I have two children, Eleanor in Year 1 and Henry who will be starting Reception in 2020. I have worked in the construction industry for over 10 years where I do a variety of jobs including organising volunteering events which I like to get involved in. I'm looking forward to meeting a lot of new people through the PTA and helping the school with fundraising for all our children.

Annabelle Maynard - Treasurer

I have three children; Jonah in Year 2 and I also have Nathanael and Jemima who attend Christleton High School. I work in social care, mainly with adults who have learning disabilities and I'm currently setting up a service for elderly people with dementia. I've lived in Waverton for 5 years and as a family we are involved in various different aspects of Waverton village life.

Waverton Community Primary School PTA

Rebecca Duncan – Secretary

I have two children, Ewan in Year 5 and Isla in Year 1. I am a Payroll Officer for a local Employment Law Company, which I have worked at for 11 years. We joined Waverton Primary last September, so joining the PTA this year is something I am very much looking forward to. Meeting new people whilst helping with the organising and running of events, to raise funds for new equipment and resources for the school and our children; greatly benefiting us all in the long term.

Inevitably each year we say goodbye to families as their children move on, so it's absolutely key that all new parents joining the school, from Reception and any other in year starters have the opportunity to feel they can really get involved.

The help and support of you, the parents is crucial, in order to be able to hold these events across the year, for our children to enjoy and for funds to be raised. They also create a real school community spirit. We'd really like to get the children more involved and listening to their feedback is something we are going to factor in! We'd really love this to continue and we need your help to do that! The more people we have on this fantastic team, the more we can achieve, for our children and our school!

So if you feel you can spare any time at all to help in any way, please contact any member of the PTA committee to let them know you are interested. We can't wait to hear from you!

Thank you

The PTA Committee of Waverton Primary School
