Learning together. Achieving together.

MARCH 2020

Dear Parents/Guardians,

CEPD, which is run by Judith Gilmour and has been used by us for many years for both before and after school activities are introducing a new booking and payment system called **IPal**. This system will be used to book places for CEPD school activities and also for CEPD's holiday camps.

This will take effect for our clubs, next term, after Easter.

I have attached information from CEPD introducing this new system, links on how to register and book places and where relevant make payment.

Currently the school funds before and after school activities run by CEPD. **However, you will still need to register and book your child's place through IPal and would suggest that you register in advance. This will help you log in and book a place quickly when they become available.**

Clubs will still operate on a first come, first served basis and where clubs have a limited number of places, once they have been taken the system will show the club as being full. The school will send a letter out each term giving you information on which clubs will be running and the days, you will then need to log into your registered IPal account to book your child's place.

The school will not be involved in allocating places and as such, any queries should be directed to Enquiry.cepd@gmail.com.

Yours sincerely,

Simon Talbot
Head Teacher
