Dear Parents/Guardians,

We have been made aware of a real and particularly nasty viral post going round on TikTok. The company are dealing with the situation and it should be cleared within the next day or two.

As ever it is important to be aware of what children are doing online and to ensure they know what to do should they come across any content which they find upsetting. We will not make any specific reference to this in school other than to reinforce the "stay safe online" messages.

Yours sincerely,

S J Talbot
