***Learning together. Achieving together.***

**20<sup>th</sup> October 2020**

Dear Parents/Guardians,

We have been notified of a confirmed case of COVID-19 within the school. We have followed Public Health England guidance to identify any staff and pupils who were a direct or close contact of the case and have advised them (or the children's parents) that they will need to self-isolate at home for the next 14 days. **If you have not been contacted by school this means your child has not been a contact of the confirmed case and may attend school as usual.**

We would like to remind all parents of the symptoms of COVID-19 :

- a high temperature – this means you feel hot to touch on their chest or back (you do not need to measure their temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if they usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means the child may have noticed they cannot smell or taste anything, or things smell or taste different to normal.

If your child experiences any of the above symptoms, they should remain at home and parents should arrange for a test. You can arrange for testing for via <https://www.gov.uk/guidance/coronavirus-covid-19-getting-tested>.

Yours sincerely,

*S J Talbot*
