Dear Parents/Guardians

Stranger Danger

We have been made aware of two recent incidents in surrounding villages and schools, whereby a male in what we are led to believe a blue/silver ford car has approached children outside of school grounds and at a bus stop. Both incidents have been reported to the police.

We will, as always, speak to the children about stranger danger and the importance of not talking to any strangers and for the older children to be extra vigilant when walking to/from school and playing out. I would be grateful if you could talk with them at home about the importance of this.

Many thanks

Yours sincerely
