Learning together. Achieving together.

5th January 2021

Dear Parents/Guardians,

Further to the announcement made last night, the staff have worked hard today to ensure that online learning can begin tomorrow.

Teaching staff have set work for the children on their Google classroom or Seesaw app pages starting tomorrow morning. The children can login where they will find links to their work and to online lessons/meetings. Year 6 pupils will be familiar with this when they had to self-isolate on two occasions during the Autumn Term. It will be a learning curve for everyone else and I'm sure there will be teething problems so please bear with us. Whilst staff have used these apps in school during the Autumn Term for setting homework and other classroom based activities - live lessons and meetings is a step up. Year 2 pupils have work set but live meetings and lessons will start next week when Miss Tandy returns.

We have set out some rules when children are working at home on their Remote Learning which we hope you can help endorse

If you are having problems with your logins please contact us on the admin@waverton.cheshire.sch.uk account and we will be able to help you.

The speed in which events have taken over have come as a bit of a shock to the system, but we will do everything in our power to support your children over the next few weeks.

Yours sincerely,

S J Talbot

Mr S Talbot
