

Dear Parents,

Join Us for Our Senior School Open Morning – Saturday 5 October – 9am-12noon

We are excited to invite you to our Senior School Open Morning on Saturday, 5 October, from 9 am to 12 noon. This event is a wonderful opportunity for families to immerse themselves in the welcoming and inspiring environment of The Queen's School.

At Queen's, we are dedicated to nurturing every young mind, ensuring that our girls thrive, learn, and become the very best version of themselves. Our small family environment allows us to know each girl personally, making sure she feels seen, heard, and valued. This approach ensures that every pupil flourishes academically, socially, and emotionally.

During the Open Morning, you will have the chance to:

- Hear from our Headmistress and current pupils to understand our core values and what makes Queen's unique.
- Tour the school with one of our current pupils who will be able to give you and your daughter their unique insight of Queen's.
- Meet our dedicated teachers and staff while exploring our engaging classrooms and facilities.
- Learn more about our extensive co-curricular programme and award-winning careers provision that begins in Year 7, preparing our girls to fully pursue their aspirations.

Our pupils will guide you on a tour of the school, showcasing our excellent facilities and sharing their personal experiences at Queen's. This is a great opportunity to ask them any questions you might have about their time here and the opportunities available to them.

Choosing an all-girls education at Queen's offers your daughter a strong foundation for her future. Our environment encourages girls to break down stereotypes, think independently, collaborate confidently, and aspire globally. We provide a space where every girl can reach her full potential without limitations.

We look forward to welcoming you and your family to our Senior School Open Morning. This event is an excellent opportunity to see firsthand how we will support your daughter's growth and success.
